BRIGHT NEW WEBSITE

Excited to share that BrightCovers.com has been revamped to show off our products and support our customers even better. There is also a section to support all BrightCovers employees! This employee section makes helpful documents more accessible, so connect with your direct supervisor to see how this may affect your department. Here is the link: <https://brightcovers.com/employees/>

This Month's Bright Spot

"We recently had our cover installed over our deck. We absolutely love the results! The crew that came to work on our cover were all very nice and professional. They cleaned up afterwards as if they were not even there. **We absolutely love our cover!**"

- Tatiana & Marc Ziegler, Clairton PA
